U.S. policy toward Dominican 1930-1961

Dr. Abbas Hadi Mousa

college of Education for Girl / University of Basrah

Abstract

The subject of U.S. policy toward the Dominican 1930-1961 of important issues, because it represents a historical review of U.S. policy toward the Dominican under the tutelage obtained by the United States as a result of the Monroe Doctrine in 1823, due to the length of the subject and unwieldy nature has felt researcher divided the two sections, which included the first of them, U.S. policy toward the Dominican 1905-1930, as it led the instability of recent in that period and the large number of disorders in which to enter the United States where many times due to the near Dominicans of its borders and its proximity to the Panama Canal important strategic U.S., while the second section, has focused on U.S. policy toward the Dominican between 1930-1961.
