Abstract

Release normal condition may fall in war, so be gentle Islam recommended in the treatment of prisoners and not insulted, and urged to speed up the released from captivity after the fighting ended.

And inextricably Muslim prisoners who fall into the hands of the enemy is an urgent need them for fear of sedition or apostasy, so it recommended the rulers of Islam and Muslims to seek uniform units to swap prisoners and to release them released from the hands of the enemies.

Accordingly, we have formed the idea of research, particularly that of the constant wars between Muslims and Christians in Andale's and has spawned a number of Muslim prisoners in the hands of the Christians.

The research methods and techniques, followed by Muslims and pursued in escape their captives since opening the year until 481 AH / 1088 AD when Andale's stationed came under the rule, as it was the beginning of their rule for the AL Moravides'los of a new phase in its history.
