Economic life in Taym'a
" From the seventh century until
the second century B.C "

Researcher: Mohammad .A. Abd -AL Karem Al Mtoore

college of Education for women / University of Basrah

Abstract

Economic status is the mainstay of any society's existence and growth . The mainstay covers activities like agriculture , Industry and trade ; grazing might be included within these activities .

Inscriptions confirmed that Tayma's society had widely practiced these economic activities .
