History/University of  
Zalingi / Sudan**

**Dr. Adam Muhammad Hassan  
Al- Bakr**

**in the Dept of History .  
University of Nyala /Sudan**

**Abstract**

Koran the book of God home and alive to the Prophet Muhammad, peace be upon him, a miraculous can not human beings that produce the like Surat, therefore comes bottoms featured Holy Quran in the formulation of their Meanings In his thoughts, and the Koran vocabulary and compositions, and language was clear when he dropped them.

Tji this study based on the semantics Koran in the mentioned country's communities and stable life in which most received within expressions most reluctant "country" and "Country" and "The Village" and "Earth" stated Egypt has said a lot of the early Muslims and others about the virtues of Egypt, and this came the search for Egypt in the Holy Quran (meaning Egypt in the Holy Quran from a historical and linguistic perspective) according to the descriptive historical method description and analysis in order to reach a conclusion and indicators dealt with political life conditions in ancient Egypt through the verses of the Quran that talked about the story of Moses and Joseph, peace be upon them . With some of the references in the Torah hint.
